## **Independent auditor's report on review of interim condensed financial statements to the unit holders of QE Index ETF**

### **Introduction**

We have reviewed the accompanying 30 September 2020 interim condensed financial statements of QE Index ETF ("the Fund"), which comprise:

- The interim statement of financial position as at 30 September 2020;
- The interim statement of comprehensive income for the three and nine month periods ended 30 September 2020;
- The interim statement of changes in net assets attributable to the unit holders for the nine month period ended 30 September 2020;
- The interim statement of cash flows for the nine month period ended 30 September 2020; and
- notes to the interim condensed financial statements.

The Fund Manager of the Fund is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, '*Interim Financial Reporting*' ("IAS 34") and applicable provisions of the Qatar Central Bank regulations. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

### **Scope of Review**

We conducted our review in accordance with the International Standard on Review Engagements 2410, "*Review of Interim Financial statements Performed by the Independent Auditor of the Entity*". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements for the nine month period ended 30 September 2020 are not prepared, in all material respects, in accordance with IAS 34 and the applicable provisions of the Qatar Central Bank regulations.
