INDIA OPERATIONS

COMPENSATION POLICY

Compensation Policy

1. Introduction

Technological progress in payment and settlement systems and the qualitative changes in operational systems and processes that have been undertaken by various players in the market have enabled market forces of competition to come into play to improve efficiencies in providing better service to the users of the system. It will be the bank's endeavour to offer services to its customers with best possible utilization of its technology infrastructure. Withdrawal of the Reserve Bank of India instructions to banks on time frame for collection of outstation cheques, payment of interest on delayed collection of outstation cheques/instruments, with effect from 1st November 2004, had offered bank further opportunities to increase its efficiency for better performance. This Compensation Policy of the Bank is therefore, designed to cover areas relating to unauthorized debiting of account, payment of interest to customers for delay in collection of cheques/instruments, payment of cheques after acknowledgement of stop payment instructions, remittances within India, foreign exchange services, lending, etc. The policy is based on principles of transparency and fairness in the treatment of customers.

2. Objective

The objective of this policy is to establish a system whereby the bank compensates the customer for any financial loss he/she might incur due to deficiency in service on the part of the bank or any act of omission or commission directly attributable to the bank. By ensuring that the customer is compensated without having to ask for it, the bank expects instances when the customer has to approach Banking Ombudsman or any other Forum for redressal to come down significantly.

3. Framework

It is reiterated that the policy covers only compensation for financial losses which customers might incur due to deficiency in the services offered by the bank which can be measured directly and as such the commitments under this policy are without prejudice to any right the bank will have in defending its position before any forum duly constituted to adjudicate banker-customer disputes.

4. Unauthorised / Erroneous Debit by the Bank

4. a. If the bank has raised an unauthorized/erroneous direct debit to an account, the entry will be reversed immediately on being informed of the erroneous debit, after verifying the position. In the event, the unauthorized/erroneous debit has resulted in a financial loss for the customer by way of reduction in the minimum balance applicable for payment of interest on savings bank deposit or payment of additional interest to the bank in a loan account, the bank will compensate the customer for such loss. Further, if the customer has suffered any financial loss incidental to return of a cheque or failure of direct debit instructions due to insufficiency of balance on account of the unauthorized/erroneous debit, the bank will compensate the customer to the extent of such financial losses after taking into consideration all relevant factors.

4.b. In case verification of the entry reported to be erroneous by the customer does not involve a third party, the bank will endeavour to complete the process of verification within a maximum period of 7 working days from the date of reporting of erroneous debit. In case, the verification involves a third party or where verifications are to be done at overseas centres, the bank shall strive to complete the verification process within a maximum period of one month from the date of reporting of unauthorised/erroneous transaction by the customer.

4.c. Unauthorised Erroneous transaction reported by customers in respect of credit card operations, which require reference to a merchant establishment will be handled as per rules laid down by card association.

5. Unauthorised Electronic Transactions reported by Customers

As per the circular no. DBR.No.Leg.BC.78/09.07.005/2017-18 dated July 6, 2017 issued by the Reserve Bank of India, all Banks are required to formulate a Board Approved Customer Protection Policy for unauthorised electronic Banking transactions reported by customers.

The policy is inter alia, required to cover in detail, the liability of customers in different scenarios depending on whether compromise was at the Bank's end, customer's end or elsewhere in the system.

For all such transactions, the Bank would be governed by their Board Approved Customer Protection Policy or any other equivalent policy.

6. ECS direct debits/other debits to accounts

6.a. The bank will undertake to carry out direct debit/ ECS debit instructions of customers in time. In the event the bank fails to meet such commitments customer will be compensated to the extent of any financial loss the customer would incur on account of delay in carrying out the instruction/failure to carry out the instructions.

6.b. The bank would debit the customer's account with any applicable service charge as per the schedule of charges notified by the bank. In the event the bank levies any charge in violation of the arrangement, the bank will reverse the charges when pointed out by the customer subject to scrutiny of agreed terms and conditions. Any consequential financial loss to the customer will also be compensated.

6.c. Where it is established that the bank had issued and activated a credit card without consent of the recipient, the bank would not only reverse the charges immediately but also pay a penalty without demur to the recipient amounting to twice the value of charges reversed as per regulatory guidelines in this regard.

7. Payment of Cheques after Stop Payment Instructions

In case a cheque has been paid after stop payment instruction is acknowledged by the bank, the bank shall reverse the transaction and give value-dated credit to protect the interest of the customer. Any consequential financial loss to the customer will be compensated as provided under para 4 above. Such debits will be reversed within 2 working days of the customer intimating the transaction to the bank.

8. Payment of Interest for delayed Collection of Local / Outstation Cheques

As part of the compensation policy of the bank, the bank will pay interest to its customer on the amount of collection instruments in case there is delay in giving credit beyond the time period specified in banks cheque collection policy. Such interest shall be paid without any demand from customers in all types of accounts. There shall be no distinction between instruments drawn on the bank's own branches or on other banks for the purpose of payment of interest on delayed collection. Interest for delayed collection shall be paid at

the following rates: a) Savings Bank rate for the period of delay beyond 7/10/14 days as the case may be in collection of outstation cheques. b) Where the delay is beyond 14 days interest will be paid at the rate applicable for term deposit for the corresponding respective period or Saving Bank rate, whichever is higher. c) In case of extraordinary delay, i.e. delays exceeding 90 days interest will be paid at the rate of 2% above the corresponding Term Deposit rate. d) In the event the proceeds of cheque under collection was to be credited to an overdraft/loan account of the customer, interest will be paid at the rate applicable to the loan account. For extraordinary delays, interest will be paid at the rate of 2% above the rate applicable to the loan account.

Keeping in view the global practices due to technological progress, payment and settlement systems and the qualitative changes in operational systems and processes single set of rules may not be appropriate and RBI has issued guidelines where interest payment for delayed collection have been left to the banks discretion.

9. Compensation for loss of instrument in Transit

The bank's Compensation Policy for financial loss suffered by the customers due to loss of instrument after it has been handed over to the bank for collection by the customer would also be as indicated in Collection Policy. The same is extracted below:

9.a. Cheques / Instruments lost in transit / in clearing process or at paying bank's branch:

In the event a cheque or an instrument accepted for collection is lost in transit or in the clearing process or at the paying bank's branch, the bank shall immediately on coming to know of the loss, bring the same to the notice of the accountholder so that the accountholder can inform the drawer to record stop payment and also take care that cheques, if any, issued by him / her are not dishonoured due to non-credit of the amount of the lost cheques / instruments. The bank would provide all assistance to the customer to obtain a duplicate instrument from the drawer of the cheque. In line with the compensation policy of the bank the bank will compensate the accountholder in respect of instruments lost in transit in the following way:

12. Transaction of "at par instruments" of Co-operative Banks by Commercial Banks

*

The RBI has expressed concern over the lack of transparency in the arrangement for payment of "at par" instruments of co-operative banks by commercial banks resulting in dishonour of such instruments when the remitter has already paid for the instruments. In this connection it is clarified that the bank will not honour cheques drawn on current accounts maintained by other banks with it unless arrangements are made for funding cheques issued. Issuing bank should be responsible to compensate the cheque holder for

non-payment/delayed payment of cheques in the absence of adequate funding arrangement. [* para 12 is applicable only for policy documents of commercial banks]

13. ATM Failure

It is mandatory for bank to reimburse the customer, the amount wrongfully debited on account of failed ATM within a maximum period of 7 working days from the receipt of the complaint. For any failure to re-credit the customer's account within 7 working days from the date of receipt of the complaint, bank shall pay compensation of Rs.100/- per day to the aggrieved customer. This compensation shall be credited to the customer's account automatically without any claim from the customer, on the same day when bank affords the credit for the failed ATM transactions. Details of charge back in case of ATM transaction by a customer of the bank when he uses other bank ATM may be included.

14. Foreign Exchange Services

The Bank would not compensate the customer for delays in collection of cheques designated in foreign currencies sent to foreign countries as the bank would not be able to ensure timely credit from overseas banks. It is the bank's experience that time for collection of instruments drawn on banks in foreign countries differ from country to country and even within a country, from place to place. The time norms for return of instruments cleared provisionally also vary from country to country. Bank however, may consider upfront credit against such instrument by purchasing the cheque/instrument, provided the conduct of the account has been satisfactory in the past. However, the bank will compensate the customer for undue delays in affording credit once proceeds are credited to the Nostro Account of the bank with its correspondent. Such compensation will be given for delays beyond one week from the date of credit to Nostro Account/ due date after taking into account normal cooling period stipulated. The compensation in such cases will be worked out as follows:

- a)** Interest for the delay in crediting proceeds as indicated in the collection policy of the bank.
- b)** Compensation for any possible loss on account of adverse movement in foreign exchange rate.

15. Lenders liability; Commitments to borrowers

The bank has adopted the principles of lenders of liability. In terms of the guidelines for lenders liability, and the Code of Bank's Commitment to customers adopted by the bank, the bank would return to the borrowers all the securities/documents/title deeds to mortgaged property within 15 days of repayment of all dues agreed to or contracted. The bank will compensate the borrower for monetary loss suffered, if any due to delay in return of the same. In the event of loss of title deeds to mortgage property at the hands of the banks the compensation will cover out of pocket expenses for obtaining duplicate documents plus a lumpsum amount as decided by the bank.
